

**INTERNATIONAL ASSOCIATION OF CHIEFS OF POLICE
LIDAR SPEED MEASURING DEVICES**

CONSUMER PRODUCTS LIST

January, 2003

The International Association of Chiefs of Police has tested, and certifies that the following speed measuring instruments meet all requirements of the Model Minimum Performance Specifications for Lidar Speed Measurement Devices, as published by the National Highway Traffic Safety Administration of the USDOT, and adopted by the Highway Safety Committee of the International Association of Chiefs of Police. The devices are listed alphabetically, by manufacturer, and listing of the device on the Consumer Products list is not to be considered and endorsement of a specific manufacturer or product.
